Part B for June 1943

SUBJECT

Election of a non-Mr President for the [illegible] Committee

No.

Letter no A/6 C 32/42-43 dated 16-5-43 from the Deputy Commr Tumkur Addl- Re commending in the circumstances stated that the privilege of having an elected Non-official President for the Chikkanayakanahalli Town Municipal Council may be continued after the three years of the Municipality are reduced to below Rs 25000/-

Chikkanayakanahalli is a Town Municipal Council and the Amloor Chikkanayakanahalli Taluk is the Ex-officio President of the Municipal Council

The Municipal Council has an annual income of Rs 10000/- and it has Rs 8900 in the SB A/c The Municipal Council has reported that the financial condition of the municipality is sound enough He has also inspected the books and reported the existing conditions at the place and has recommended "That the Municipal Council may be given the privilege of having their elected President"

The Eleven Municipal Councils in the State are at present having the privilege of their elected Presidents

stated that there are still heavy arrears (Rs 7900) to be collected for this Municipality and several Town improvement works such as drainage and water supply have yet to be taken up and therefore the question of having an elected President may be considered after the arrears are reduced to about Rs. 2500

5) The proposal for having an elected President for the Chikkanayakanahalli Town Municipal Council is subject to orders from Government (G.O. No. PR 25 S 43) It will be seen from the Deputy Commissioner's report that the Municipality (Council at Chikkanayakanahalli) and its finances are in a satisfactory condition and that the Commissioner has also been cooperating with the administration of the Municipality. In the Tumkur District, Tumkur and Sira Municipalities have elected non-official Presidents. Having regard to the circumstances of the case, it seems that the privileges proposed for the Municipal Council may perhaps be conferred on this Municipality. The question of arrears apart, I need not dilate on granting this privilege, as even there having arrears are equally heavy. Further, there is a Special Revenue Inspector attached to the Municipality

The Council deserves the gratitude as there is co-operation among the Councillors. The Non-Official President is not entirely to blame, but I am sure in the Collectors. The position requires more with a non-official President

Through Sri K.R.S. Rao

Sir,

Re the privilege of having an elected non-official President for Chikkanaikanahalli Town Municipal Council

In forwarding herewith, in original, the connected records received from the Sub Division Officer, Gubbi on the above subject, I have the honour to state as follows -

A copy of the resolution of the Municipal Council received from the President, Town Municipal Council, Chikkanaikanahalli, in this behalf, was sent to the Sub Division Officer, Gubbi for opinion He states that the income of this Municipality is not more than Rs 15,000/- for the past three years and that the question of allowance to the elected President may arise after this privilege is granted, though the Councillors are at present saying that no remuneration would be attached to the Office

The financial position of the Municipality is not sound There are still heavy arrears to be collected Besides, the Municipality has to under-take several works of civic improvements such as the drainage and water supply schemes, appointment of Chief Officer,etc , which means heavy commitments

I am of opinion that the proposal may be kindly ~~be~~ considered after the arrears are reduced to below Rs 2500/-

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Tumkur District
